CANADIAN GERMAN CHAMBER OF INDUSTRY AND COMMERCE

The Canadian German Chamber of Industry and Commerce (CGCIC) is the primary contact for German and Canadian companies interested in doing business in the respective other country. It promotes bilateral economic relations between Canada and Germany by providing professional market entry and business support services and by hosting events and trade delegations.

CGCIC acts as the official representative of German trade and industry in Canada. It is recognized as a German Chamber of Commerce abroad (AHK) by the Association of German Chambers of Industry and Commerce (DIHK) in Berlin and supported by the Federal Ministry of Economic Affairs and Energy.

If you are interested in obtaining further information on our activities and services, please feel free to contact us:
