

About the Canadian German Chamber of Industry and Commerce: Who we are and what we do:

- The Canadian German Chamber of Industry and Commerce (CGCIC) is the official representative of German trade and industry in Canada
 - We are a private, non-profit organization established under the law of Ontario
 - Our board of directors is comprised of representatives from well-known Canadian and German companies
 - We promote bilateral trade and investment between Canada and Germany
 - At the same time, the Chamber is an organization with 600 Canadian and German private and corporate members. In this function the Chamber acts as a platform that allows members to network and make new contacts
 - With our head office in Toronto and branch offices in Montreal and Vancouver, we cover the entire Canadian market with our services
 - We belong to a network of 120 German Chambers of Commerce abroad in 80 countries, offering their experience, contacts and services to German and foreign companies
-

What we offer:

I. We provide information and consulting services for Canadian companies interested in the German market such as:

- Address research
- Market and industry research
- Business partner search
- Consulting services
- Trade fairs and conferences

II. As a membership organization we offer a broad variety of events, seminars and symposia that provide members a wide range of information and a platform for making new business contacts.

III. We specialize in promising industry sectors which offer great potential for German and Canadian products and technologies such as

- medical technology
- energy efficiency & green building
- renewable energies & green technology
