WINDIGO

WINDIGO AVENTURE, the North American leader in small group adventure tours is looking for dedicated tour leaders and guides. Windigo has been operating small group adventure tours in Canada and the USA, including Alaska and Hawaii since 1996.

On our trips, outdoor activities take centre stage. We definitely include a good dose of cultural exploration and culinary experiences but we mainly focus on being actively immersed in nature whether it be hiking, biking, kayaking, ski touring, snowmobiling or dog sledding, all the while keeping an eye out for wildlife.
